Management Team

Kennedy Agyepong – CEO

Mr. Kennedy Agyepong is the Chief Executive and President of the Kenpong Group of Companies. Mr. Agyepong is a visionary with extraordinary drive, who refuses to see any challenge as insurmountable, and is committed to contributing his quota to the socio-economic development of Ghana. He opted to do so through the field of telecom engineering, construction and communications.

Mr. Agyepong decided early in life to venture into the technical field. On completion of his technical training he gained employment with one of his future clients. Due to his dedication to duty, attention to detail and drive, he quickly rose through the ranks. His manager, recognising his potential and acumen, advised him to seriously consider going into contracting as a business. From this advice Kenpong Contract Works, the forerunner of Kenpong Construction, was born.

From the humble beginnings of Kenpong Contract Works and the sound foundation of Kenpong Construction the multinational Kenpong Group of Companies grew with subsidiary branches of Kenpong Construction in Cote d'Ivoire and Gambia.

Mr. Agyepong has a vision and goal of always being the best and relies on hard work, dedication, communications and thoroughness. Mr. Agyepong has instilled his beliefs and ideals in his staff to ensure that all his companies bear his hallmark. His simple philosophy is to identify what society lacks and provide a simple solution to that need with dynamism and innovation whilst paying heed to the lessons learnt along the way.

Francis Agyapong – Director

He is a Director of the Kenpong Group and an engineer by profession. He graduated from RBT Systems Inc. in the United States of America with Certifications in Fibre Optic Network Cabling and Copper Based Network Cabling Installations. He is also a graduate in OSP (Civil Works) from the renowned Ghana Telecom Training Centre now Ghana University College of Technology. He worked with different companies including; Taihan, NKF (Dutch), T.C.I.L. and Kenpong. He has over 15 years experience in telecommunication and technology works.

Dominic Boadi-Manu – Financial Manager

A graduate of the University of Ghana with a major in Psychology has developed so fast within a year of his employment with Kenpong and is now in charge of Kenpongs' Finance. He was the brands manager of Mr Price at the Accra Shopping Mall for 2 years. He did his national service with the National Health Insurance Scheme.

Patrick Dadey – GM

Patrick is the General Manager of Group Kenpong and has over 30 years' experience in administration both in the UK and Ghana.

He holds various qualifications from London and Ghana. He is an Akora of the 78 year group and has worked with Africa Motors, International Tobacco (GH) Limited, Marketace Limited, British Rail, Southeastern Train Services, Connex South East, Southwest Trains Limited and Transport for London.

Patrick is well versed in marketing and administration having held the position of a Sales Executive with Expluss Ghana Limited, Deputy Area Manager for Ashanti and Brong-Ahafo with International Tobacco (GH) Limited and General Manager Administration with Marketace Limited.

He also rose to Station Manager, London Termini with Connex South Eastern and successfully set up the Local Information Control Centre for South West Trains Limited at Wimbledon Station, before joining Transport for London in their Revenue Protection Department working closely with the British Transport Police and the Metropolitan Police Service to detect and deter revenue evasion as well as reducing the incidences of anti-social or criminal behavior on London's public transport network.

Carlos Glokpor – Head of Projects

He is an engineer by profession and the Head of Projects Management at Kenpong Construction Ltd. Carlos is a holder of various qualifications in project management from University Central Lille, France, and a Certificate in Environment, Health, Safety and Wellbeing from Besoins Environnementaux, Canada.

He is also a graduate from the prestigious Alcatel University, Egypt and had undertaken various trainings in fibre optic telecommunications technology. He graduated in Civil Engineering from Institut National Polytechnic in Yamoussokro, Cote D'Ivoire.

Carlos has worked in various capacities and in different countries in Africa such as Cameroun, Libya, Ghana, Sudan, Burkina Faso and Benin. He is currently in Ghana with Kenpong Group and has oversight responsibility for the Cote D'Ivoire branch.

Pius Agbozo – Group HR/Administrator & Head of ICT

Pius is a very loyal and confident staff of Kenpong Group for many years. He is in charge of general office administration, human resource, purchasing and serves also as the Special Aide to the CEO of the Kenpong Group.

He did his national service with Ghana Education Service as a full time Class Teacher and has over 10 years experience in business management and administration and has served as National Secretary for various NGOs.

Pius is a graduate of Cambridge International College (London) with majors in Business Management and Administration.
